## SANWA die-cutting machines now at QTM

Exclusive direct sales of SANWA die-cutting machines in Europe

QTM is known since 20 years as an established service partner for the repair, maintenance and servicing of WUPA, WPM and Heidelberg Dymatrix die-cutting machines. Since 2022, the distribution of SANWA die-cutting machines completes our service and product portfolio. We are the exclusive distributor for SANWA die-cutting machines in 13 European countries.

The die-cutting machines from the Japanese manufacturer SANWA are known for their reliability and attractive price-performance ratio.

Our SANWA product portfolio covers formats from 230 x 280 mm up to 740 x 1060 mm. Optionally also with automatic blank separation.
